NEXT LUNCHEON ON MARCH 10

Come join us for our next luncheon in the Fellowship Hall immediately following the second service. All ages are welcome to attend, but since this is a free lunch please help us by making a reservation so that we'll be sure to have enough food and have your name tag ready for you! Respond by March 7 to Eileen Frisinger, bifrisinger@aol.com.

Scripture to ponder on...

I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. I can do all this through him who gives me strength.

- *Philippians 4:12-13 (NIV)*

Senior Ministry Fellowship

Highbridge Pavilion - April 19

Mark your calendar and join The Senior Ministry Committee for fun and fellowship as we travel to Wilmore and enjoy some food and games.

Senior Golf Outing

Lakeside Golf Course - Early June

We are looking at early June for The Senior Ministry Committee hosting a golf scramble at the Lakeside Golf Course, off Richmond Road. The date has yet to be finalized but this will be a great opportunity for finally getting outside and enjoying the weather as we search for golf balls in the rough.

Dementia Friendly Lexington (DFL)

TCPC will be designated a dementia friendly church in the city of Lexington upon completion of training. The Senior Ministry Committee and members of the pastoral staff are committed to making TCPC a designated DFL within the city of Lexington. If you'd like to be a part of this ministry contact David Smith or Jamie Gitzinger for additional information. To be a part of this ministry, each person would need to participate in several training seminars that will consist of watching a 45min video on your own time and then attending a 45 min presentation "live" with leaders from the Dementia Friendly program. This training is currently being considered for April 25th.

Professional Referral List

If you've had some work done with various professionals (roofers, electricians, plumbers, painters, lawn/garden/landscape workers, etc.) and would like to recommend them to others that are looking for similar workers, please contact David Smith and let him know who you would like to recommend. We would like to establish a list of workers so that other members who are looking for a professional could contact us and we can let them know about your good experience.

Are you in need of a Bible Study?

On Wednesday afternoon from 12-1pm Harry Standenger leads a men's study with 30 (mostly retired) young men and the doors always open for more. This group of guys meet in the basement at TCPC every Wednesday "Lord willing and the creek don't rise". Here's a secret, most come for the desserts.

Questions? Do you attend a Bible Study? Send us a picture of your group and tell us about it, we want to know!

We'd love to hear your feedback!

The Senior Ministry Committee is committed to growing this ministry within the body of believers. We are currently looking at ways of reaching out and strengthening our relationships with each other and reflecting Christ's love in all we do. We would like your feedback! If you have any questions, interest, or comments about these activities, please contact David or Colleen Smith (dsmithwv@gmail.com or cllnsmth@yahoo.com). We would LOVE to hear from you!!
